

CITY OF HAMILTON

WELL DRILLING PERMIT

Permit Fee \$40.00

Permit #: _____

Job Address: _____

Owner / Mail Address: _____

Contractor / Registration No.: _____

Use of Well: _____

Sec. 62-237. Drilling new water well without permit is prohibited.

(a) No new water wells may be drilled within the city limits prior to the issuance of a permit by the city authorizing the drilling of a water well. A fee for obtaining such a permit shall be paid to the city, in the sum of \$40.00.

Additional fees May be required for an associated electrical permit.

(b) Under no circumstances may a water well be drilled within the city limits for purposes of producing potable water for sale or in lieu of payment of minimum city water charges. Physical connection must not exist between city and private system in accordance with previous city ordinance.

(c) If any property owner causes the drilling of a new well within the city limits without first obtaining issuance of a permit from the city or otherwise violates this division shall be deemed guilty of a misdemeanor and punishable by fine as provided by law.
(Ord. of 7-12-90, ~ 1)

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
